

Call for Conference Presentations

November 18th - 20th, 2025

MECC Maastricht, The Netherlands

Proudly sponsored by:

MARUICHI STAINLESS TUBE CO.,LTD.

www.stainless-steel-world-event.com

The Stainless Steel World Conference 2025 is an exciting opportunity for engineers, manufacturers, end-users, sustainability professionals, academics and innovators in the stainless steel industry to come together, share knowledge, and explore new opportunities.

Stay up-to-date with the latest advancements in stainless steel technologies, materials, and innovations. Learn from industry leaders and experts in the field.

Presenting at the conference can offer several benefits, both for you as an individual and for your organization. It is the prestigious event in the industry, attracting leading professionals, researchers, and organizations from around the world. By presenting, you can share your unique insights, research findings, or case studies with a global audience, helping to elevate your professional profile. And connect with attendees from around the world. Whether you're looking for new business partnerships, collaborations, or job opportunities, the event is a hub for networking.

Location

The Stainless Steel World Conference & Expo 2025 is held at the MECC Maastricht, The Netherlands. Forum 100, 6229 GV Maastricht
Tel: +31 43 383 8383

Welcome home... to the Stainless Steel World family!

Stainless Steel World Conference 2025 Steering Committee

The Steering Committee plays a pivotal role in shaping and overseeing the event. These prominent industry figures set the vision and objectives for the 2025 conference, aligning it with the latest trends and needs of the stainless steel industry. They are responsible for curating the conference agenda, including selecting keynote speakers, panel discussions, and workshops that reflect the industry's current challenges and innovations.

Chairman:

Presentation Topics

Topics for technical abstracts can be anything related to stainless steel. Your presentation at the Stainless Steel World Conference 2025 should provide us with your technical insights to drive ideas forward, overcome challenges, and highlight innovation for our industry and beyond.

Share your challenges and success focusing on the following technical themes. Presentations on alternative topics are also welcome.

- Aerospace
- Carbon Neutral
- Clean Hydrogen
- Ammonia
- Artificial Intelligence
- Automotive
- Bioenergy
- Appliances
- Kitchenware
- Food and Beverage
- Nuclear
- New Technologies
- Additive Manufacturing
- Corrosion
- Galvanic corrosion
- Seawater desalination

Giving a Presentation at the Conference

Submit your abstract to present at Stainless Steel World Conference 2025.

The online abstract submission is now open:

<https://stainless-steel-world-event.com/conference/submit-abstract/>

Early submission is important to ensure that the Steering Committee members have ample time to review the abstracts. Abstracts should be a maximum of 300 words in length and should be submitted online before 31st March 2025. See below the submission/approval deadlines.

How to Submit an Abstract

Please send your abstract to the Conference Manager Ms. Kiyo Ichikawa by scanning the QR code to be taken to our online submission form or via event web page (www.stainless-steel-world-event.com). Prospective authors wishing to present a paper should submit an abstract of about 300 words **before the 31st of March 2025**. Please include keywords relating to the topic of your abstract.

Don't forget to include your name and function, company name and e-mail address, and the title of the paper.

The following selection criteria will apply:

- quality of the content
- focus on application experience
- informative to a wide audience
- affiliation with the conference subject balance
- technical nature, i.e. non-commercial

Submit your abstract online by 31 March 2025

The deadline for abstracts is the 31st March 2025. Presenters will be notified in May as to whether or not their proposed presentation has been accepted by the Steering Committee. Consequently, they will be invited to submit the PowerPoint (or equivalent) to accompany you during your presentation. **The deadline for sending in presentation materials is the 1st October 2025.**

Dates to Remember

- Abstract submission deadline: 31st of March 2025
- Notification of acceptance: In May 2025
- Deadline for presentations: 1st October 2025

Speaker Fee

All presenters will receive a 50% reduction in conference fees. Special rates and fee waivers are available for end-users and students – contact the organisers for information.

Held alongside the conference, the Stainless Steel World Exhibition 2025 is tailored toward providing direct business-to-business and networking opportunities. It will welcome a diversity of global knowledge from exhibitors, visitors and conference delegates, contributing to expanding the understanding and knowledge necessary for future industry growth.

The Stainless Steel World Exhibition 2025 is the ideal opportunity to showcase your company products, services and personality to the dedicated global stainless steel community.

Get ahead and take your place at the forefront of the global stainless steel industry!
